PROFESSIONAL SUMMARY

First-year Business Administration (E-Business) student targeting Project Coordination and Operations internships in multinational and corporate environments. IELTS 7.5 and Scrum Fundamentals Certified, with experience leading cross-functional teams through Agile/Scrum and MBO workflows, managing stakeholders, and delivering structured, on-time results under deadline pressure.

EDUCATION

Ho Chi Minh University of Banking (HUB)

2025 – Present

Bachelor of Business Administration (E-Business) — Ho Chi Minh City, Vietnam

PROFESSIONAL EXPERIENCE

English as a Second Language (ESL) Teacher

Oct 2025 – Present

The Sun English Center, Ho Chi Minh City, Vietnam

- Run a weekly reporting cycle to 2 stakeholders, converting session outcomes and progress data into clear follow-up actions.
- Plan and coordinate delivery across 2 concurrent classes of 10–12 students, balancing scheduling, materials, and priorities to keep every session on track.

Private English Tutor

Jun 2025 – Present

Self-Employed, Ho Chi Minh City, Vietnam

- Built and ran a milestone-based study plan for a gifted Grade 7 student who placed 4th of 16 on the school English team, using goal-setting and progress tracking to drive measurable improvement.

Teacher Assistant

Jun 2025 – Oct 2025

The Sun English Center, Ho Chi Minh City, Vietnam

- Coordinated 3 sessions per week end-to-end, preparing materials and logistics and flagging comprehension gaps for instructor follow-up.

PROJECTS AND LEADERSHIP

Young Future Leader Program (YFLP) — Season 6 | Team Leader & Vice Leader

May 2026 – Jul 2026

YFC Club — internal leadership competition for 1st- and 2nd-year student members

- Led a 5-member team through a 10-day marketing case, turning an open brief into defined role ownership and a self-built Scrum + MBO tracker that kept every workstream on plan; won the Outstanding Team award among the 5 semifinal teams and advanced to the final.
- As acting lead in the final, resolved a mid-project crisis with 4 days left: after discovering a misread brief, kept the team composed, rebuilt the solution from the insight stage, and re-planned 4 sprints across 3 objectives to protect delivery.
- Owned the financial model (P&L) and omnichannel strategy and presented to judges across a 20-min pitch, 5-min debate, and 5-min Q&A, finishing as the stronger of 2 finalist teams and an individual Top 5 of 25.

Scrum-Managed Group Research Project (Macroeconomics)

Mar 2026 – Apr 2026

Group 1A – Ho Chi Minh University of Banking (HUB)

- Managed an 8-member Scrum team on “market failure caused by private markets,” owning the backlog, milestones, and deadlines and using MBO plus a self-built dashboard to keep everyone accountable to shared objectives.
- Produced final deliverables — an analysis workbook, debate document, and self-built microsite — using U.S. and Vietnamese government data, and presented directly to earn a 9/10 faculty evaluation.

Club Operations Lead | Head of Media and Technical Division

Nov 2023 – Jun 2025

Volleyball Club – Duong Van Thi High School, Ho Chi Minh City, Vietnam

- Ran operations for a 50-member club, secured VND 3,000,000 in funding, and led a structured member intake that selected 15 of 37 applicants and sustained 85% participation.
- Organized a 15-team inter-school tournament in one month and captained the technical team to a Bronze Medal.
